**INT. WAR ROOM**

Open on a wide shot of a large medieval war room with a table in the center. Sitting at a stone table are 5 classic Dungeons & Dragon-type characters: a Cyclops Warrior, an Elf, a Wizard, a Dragon, and a Sage.. We see a closeup of each character as the Sage introduces them

SAGE

Well, here we are... Warrior, Elf, Wizard, Dragon, and Sage.  
Now we begin tonight's campaign of...  
Careers & Corporations!

The Sage slams down a dungeon-master type screen on the table, the screen reads “Careers & Corporations”

ELF / WIZARD / DRAGON / WARRIOR

Yeeeeeah!! / WoooHoo! / YeaHaha! / Ahhh Yes! I waited all week for this!

SAGE

Alright, co-workers. As your office manager, I've placed you  
squarely in the heart of danger. It's friday afternoon and you  
have exactly 1 minute to submit the quarterly expense report  
and there's 60 dollars missing!

WARRIOR / DRAGON / ELF / WIZARD

<gasp> / Noo! / Ah shit! / We're screwed!

SAGE

Turns out Dillon McGrevy, the office screw-up and walking HR case,  
had lunch at the strip club and didn't turn in his credit card receipt—  
what do you do??

WARRIOR / ELF / DRAGON / WIZARD

OhmanOhmanOhman umm umm umm / Ummmmmmmm / Fuckin Dillon! / Uuhhhhhhhh

WIZARD

Ok Ok! I'll confront him and cast my passive aggressive tone!

WARRIOR

No! I'll bribe him with a starbucks gift card!

SAGE

Time is ticking...

DRAGON

I'll call him out kind of loudly in the breakroom!

ELF

Wait—I can email him and his whole department,  
CC his manager...and his wife...!

Beat.

WARRIOR / ELF / DRAGON / WIZARD

(Warrior's final **Do It!** - delivered in unison by all)

Yeess! Do it! Do it! **Do it!** / Ohh yeahh **Do it!** / Aww yeahh **Do it!** / Yeeahhaha **Do it!**

The Warrior rolls the 20-sided die as the music swells and we see it bouncing and spinning in slow motion. It comes to a stop on... 20!!

The co-workers explode with excitement, high-fiving and hugging each other, epic celebration music plays

WARRIOR

Yeeeahahahh!! We did it!! Good Job! Woohoo!  
I can't believe it, this is the best day ever!

ELF

SAGE

(proudly speaking over all the excitement)  
You send a strongly worded email CCing everyone and  
Dillon immediately responds with a copy of his lunch receipt—  
and you submit the expense report with a zero balance!!

The 4 players all chant in unison

WARRIOR / ELF / DRAGON / WIZARD
